AMERICAN COMMUNITY SURVEY ALERT Number 9

Informing you about news, events, data releases, congressional actions, and other developments associated with the American Community Survey (ACS).

NEWS IN THIS ALERT:

* Data Release for 2001 American Community Survey Test Sites

DATA RELEASE:

The first data for 2001 from the American Community Survey (ACS) test sites will be released on Friday, November 22, 2002. The data released will include 2000 to 2001 change profiles for ACS test sites of 250,000 or more population, single year profiles for sites of 65,000 or more population, and over 100 core tables for sites of 65,000 or more population.

The change profiles and single year profiles will be available on the American Community Survey Web site at <http://www.census.gov/acs/www/> and the core tables for sites of 65,000 or more population will be available on American FactFinder at <http://factfinder.census.gov>

CONTACT US

If you have questions or comments about the American Community Survey or the Supplementary Surveys, please call 1-888-456-7215 or e-mail cmo.acs@census.gov.

General information about this mailing list is available at: <http://lists.census.gov/mailman/listinfo/acs-alert>. If you choose to unsubscribe or change your list options, you may do so by visiting this site and entering your e-mail address at the bottom of the page under the ACS-Alert subscriber's section. This will take you to an options page where you may request your password, unsubscribe, or set other options. If you have questions about this list, please send a message to acs-alert-admin@lists.census.gov.
